

PWM input constants

```
graph LR; A[Pins used connected the reciever to the arduino] --> B[PWM input constants]
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text 'PWM input constants'. The box on the right is gray with a black border and contains the text 'Pins used connected the reciever to the arduino'. A black arrow points from the right side of the gray box to the left side of the white box.

Pins used connected
the reciever to the
arduino
